Summary

a Fullstack Web Developer with 1 year of experience that has a passion for building seamless, scalable web applications that deliver outstanding user experiences. I'm always eager to learn and thrive on mastering new technologies and techniques, which keeps me at the forefront of web development. Driven by curiosity and a love for problem-solving, I embrace challenges that push my skills and help me grow. My goal is to use my expertise to create innovative solutions and further improve my craft

Tech Stacks

React, Next JS, ReactNative / Expo, Astro, PostgreSQL, MongoDB, Prisma, Docker, Typescript

Experience

Prometheus | iloilo, Iloilo

Associate Software Engineer | 09/2023 - Present

As an Associate Software Engineer at Prometheus, I am responsible for :

- Full-stack website development, with the use of Next JS for enhancing front-end user interfaces and MongoDB , Postgres and Express for back-end systems.
- I also develop engaging AR filters using Meta Spark Studio for events and celebrations
- I also contribute to the design, optimization and development of mobile applications using React Native and Expo.

Daily Guardian | iloilo, Iloilo

Web Developer Intern | 02/2024 - 05/2024

I actively participated in the changes and updates of the Daily Guardian website, where I collaborated with my fellow developers and designers. My responsibilities included

- front-end development, with the use of Astro. Ensuring the website's responsiveness and user-friendliness across all devices and platforms

Skills

REST, Agile, APIS, GIT, Software development, Javascript, Communication skills

Education

Central Philippine university | iloilo, Iloilo

Computer Science | 05/2024

- Consistent Dean's list from Freshmen - Junior Year with a GWA of over 1.56 - 1.58
- as a student I Volunteered to help / develop AR projects in tech communities and events such as Devcon.

Certificates

OpenEDG JavaScript Institute Authorized Academy Program, HackerRank Javascript Certificate, SoloLearn Javascript Intermediate

Awards

Microsoft Imagine Cup Nationals Runner up, Indigitous Hackathon Champion

Volunteers
